

K-LOVE serves me and my family as well as my community in so many ways, and I am happy to support them monthly for all they do. There is such a positive atmosphere through all the songs and speaking programs, that I feel uplifted more than with any other station on the radio. I am afraid that if LPFM were to take over the K-LOVE station, that they would not have the same Christian songs and programs that reach so many and touch thousands of lives daily. This is a very important issue. I have a nine year old and a six year old, and they both sing along to all the Christian songs, and I know their spirit is being filled with positive words of encouragement. K-LOVE is such a big part of our family. It would be very detrimental to us and so many others if this station is taken off the radio. Thank you for your time and consideration.

Sincerely,
Heather Ann DeBus
